Mission Statement

The purpose of our organization is to preserve the history of the luxury cars as specified by CCCA, and promote their use and restoration. In doing so the public will become more aware of the social and economic values of the era when these motor cars were new. This historical perspective will educate the public as the cars when used and displayed provide a venue for conversation.

Long Island Sound Region

The Long Island Sound Region of the Classic Car Club Of America seeks to promote fellowship and friendship opportunities to use and enjoy Classic luxury motor cars. You do not have to own a classic car to belong to the region, but must belong (or become) a member of the national Classic Car Club of America. The national club issues a dozen publications a year (4 magazines, 8 Bulletins) The L. I. Sound Region will issue news bulletins via e mails or regular mail about events and tours, and have a quarterly magazine featuring articles and news of luxury motor cars when they were new. Primary focus will be on cars and places in the territory of the region.
